

SACRED HEART COLLEGE

'Let Us Go Together'

Canoe Polo Team makes SHC history with Silver at Nationals

From the Principal

Tena Koutou Katoa, Dia Duit,
Dear Parents, Guardians and Whānau,

Following on from the glow of an outstanding set of NCEA results and scholarships awarded, the first term has seen some quite exceptional achievements on the sporting scene. Elsewhere in this newsletter the achievements of our students are highlighted. I do however want to add my congratulations to those teams and individuals who have excelled during Term 1 and reaped the rewards of their training and preparation. I also wish to express thanks to everyone who has coached and managed our students. Like all schools, we rely on volunteering parents and community coaches to ensure our students have a breadth of opportunity across a whole range of sports; it is to these people also that I offer a big thank you.

With the Winter season nearly upon us, we are still short of coaches in several codes. If anyone could help please contact Katrina Wright, our sports co-ordinator. I will be holding a meeting on the first Monday back in Term 2 to meet with all the coaches and managers and I look forward to getting to know you all.

Culturally, there has been lots going on around the school this term and I am keen to create more opportunities for our girls to express their talents. We have started a combined band with St John's College and a hip hop dance group this term. We will be starting a lunchtime drama school next term. I am looking at ways of creating learning opportunities for our girls in these areas when they are not being offered formally in the classroom. If you have any ideas or expertise in these areas I would love to hear from you.

Our music teacher, Rachel Carson and Esmeralda Jobbins, a Year 10 student, have been working tirelessly rehearsing for the upcoming show 'Oliver'. I would like to wish them well for their performances and I am looking forward to seeing the show.

As you will have read in our last newsletter we have had several staff in acting positions this term. This is because we have been in the process of appointing a new Deputy Principal. I am pleased to announce that we have appointed Elizabeth Ross who will be joining us in Term 2. Elizabeth's most recent role was Deputy Principal at Morrinsville College in the Waikato. Her main portfolios were professional development, pastoral care and she was part of the Morrinsville Community of Learning (COL) Steering Committee. In her early teaching career Elizabeth taught at St John's College in Hastings. We are all looking forward to her joining our staff and we are excited about the expertise and knowledge that she will bring to the teaching and learning at our school.

With the appointment of Elizabeth, it means that there will be several staffing and timetable changes in Term 2. I ask for your patience and understanding at this time as I know that change can be a little unsettling for some. Please check with your daughter about these changes and make sure you have the most up to date timetable for her. It is often difficult to foresee the future and when things need to change; but I do hope that from Term 2 onwards changes to timetables and staff will be minimal.

Lately I have been having discussions with many parents about the way we communicate with you. I am excited to announce that we are in the process of setting up a School App and we hope to have this up and running by Term 2. In the mean time our main way of communication is via email and Facebook.

As we enter the Winter months there is a change in school uniform. It is compulsory to be in Winter uniform from Week 2 of Term 2. Summer or Winter uniform is accepted for the first two weeks but not a combination of the two. Please visit our school website to view our Winter uniform www.sacredheartnapier.school.nz, under enrolments. Can I remind you that a school jacket or other plain black waterproof jacket are the only permitted jackets to be worn as part of the uniform.

Finally, I would like to wish you all a very happy and peaceful Easter. School is closed from Good Friday until Wednesday 4th April.

God Bless
Maria Neville-Foster
Principal

Special Character

Lent is a time of reflection and renewal. Each year the Lent Appeal is run by Caritas on behalf of The Catholic Church in Aotearoa New Zealand to support their work of charity and justice for the poorest and most vulnerable around the world, including in Aotearoa New Zealand. Hundreds of young people from around New Zealand have, during February and March, participated in this year's Caritas Justice Leadership Days. Whether it's "Problems in Parejah", the "12 minute Challenge Cards" or the inspiring story of Leymah Gbowee, Justice Leadership Days are full of fun, challenge and inspiration.

This year Sacred Heart was represented by Mrs Durston and 8 senior members of our Catholic Character Committee. They spent the day working collaboratively with other schools from the Palmerston North Diocese. If you want to find out more about Caritas please visit their website <http://www.caritas.org.nz/>. Form classes each have a Koha Box available if you wish to make a donation towards the work of Caritas during this season of Lent.

We are privileged to have the opportunity to gather with our brothers from Saint Johns and celebrate the Eucharist with

our faith communities. The first Leaders Mass took place at St Patrick's Parish in Napier. It was the final time for Father Peter to address the college students before his departure at Easter. Father Peter's message to our young people was to let them know that they are sacred. He wanted our young leaders to value their gifts and always know that they are loved. Both Sacred Heart and St John's were able to say their final goodbyes to Father Peter and gift him tokens of our appreciation for his leadership within our faith communities.

Year 9 is a time of change. Our year 9 classes are currently exploring their journey to Sacred Heart College. They are learning to identify what makes them sacred and unique and are developing the confidence to share their journey stories with each other.

Kelly Briggs
Director of Religious Studies

School Notices

We are starting to send out important messages and newsletters to parents and caregivers via email instead of printed mail given to girls to bring home.

Can you please ensure that you mark email addresses from @sacredheartnapier.school.nz as 'Trusted' or 'Not Spam' messages so that you will receive school emails easily.

If you have a new email address or have not yet received emails from SHC, please contact Lisa on admin@sacredheartnapier.school.nz to update your details.

Pastoral Matters

Here at Sacred Heart College we have a strong commitment to pastoral care and seek to provide a safe, nurturing environment in which your daughters can strive to be the best they can be. The staff at SHC take on a number of roles to help support the students.

Please feel free to contact your daughters' Form Teacher if you have any specific questions. The form teacher is the first point of reference for the student and their caregivers/parents and will be involved with pastoral care, including mentoring, uniform checks, administration, attendance and encouraging involvement in school activities.

If you have greater concerns, please contact the appropriate year level Dean as listed below.

Year 9 and Year 10 Ms Ashton Northcott anorthcott@sacredheartnapier.school.nz
Year 11 Mrs Sandie Howlett showlett@sacredheartnapier.school.nz
Year 12 Ms Fiona Fox ffox@sacredheartnapier.school.nz
Year 13 Mrs Marysia Airey mairey@sacredheartnapier.school.nz

We also have the Guidance counselling services of Mrs Amy Walewski, who can be contacted by phone or email awalewski@sacredheartnapier.school.nz

Uniform – we have been extremely pleased with the way in which our students have started 2018 wearing uniform correctly and with mana. **From week 2 of Term 2 all students are to be in full Winter uniform.** The requirements are outlined on page 3 of the girls' diaries. Girls must wear either black pantyhose or knee-length plain black socks with their black shoes. The school tie must also be worn by all students. Please check the length of your daughter's skirt and ensure that it is of regulation length. The only jackets permitted with school uniform are the school windbreakers or a plain black jacket; no other mufti jackets are to be worn. Your support over all things uniform is always appreciated by the school. If any family is having financial challenges in providing the correct items, please do not hesitate to contact either myself or your daughter's Dean.

Attendance - to ensure success at school we suggest that all girls aim to have an attendance rate of at least 90% - that means no more than one day off school a fortnight. Any more than that will create gaps in their learning. Wherever possible we ask that family events and holidays be restricted to school holiday times. It would be unfortunate for your daughter to miss an assessment (and the credits that go with it) because of a holiday. No extensions can be granted in these circumstances.

We also encourage our students to be at school on time and in form class by 8:45am. Please assist them with this. If there is a legitimate reason for lateness, a written note from a parent or caregiver is expected to be handed to the office on arrival.

Carpark – should you require your daughter to be dropped off to school please drop her at the bottom of hill and she can walk up the ramp. Convent Road and the school carpark is a busy thorough-fair in the mornings and is not safe for students to be dropped there. Should your daughter have an injury, please send her to the school office for a pass.

Cyber safety - in terms of supporting your daughter at home, we encourage parents to be aware of and preferably, involved in their "online life". Talk to them about their Facebook, Tumblr, Instagram accounts... and all the other apps! If they know you are aware of these things and perhaps can see what is happening, your daughters may think more carefully about what is posted and shared online. Discuss with them their privacy settings. Can the whole world see everything about your daughter?

Ashton Northcott
Acting Assistant Principal

Uniform Shop

Uniform Shop opening hours in term time:
Thursdays Break 1 and 2

EFTPOS/ credit cards, cash and cheques are all accepted. Laybys are also available.

All Winter uniforms are now available to purchase.

Year 9-12 Winter uniform

Year 13 Winter uniform

As we approach the end of Week 9 of Term 1, most of our students have been involved in at least one assessment opportunity. For our Year 11 students, this was their first experience of NCEA and the formal conditions that are involved.

It is very important to remember that if a student is unwell and not at school for a NCEA assessment they must obtain a medical certificate to allow them to sit the assessment at a later date. If the assessment is assignment based, it is important that the student understands the policy of each department and the conditions that have been established at the start of the course.

Assessments can be very stressful for some of our students. They will find that a number of assessments will be running at the same time and it is crucial that they manage their time wisely. We all have a part to play in assisting students to achieve the grades of which they are capable by helping them to manage their commitments. Sacred Heart College endorses the valuable experience gained by their involvement in spiritual, sport and cultural experiences and the need to have a part time job. However, the time commitment and the exhaustion level reached due to outside commitments can have a detrimental effect on student learning and achievement.

April 1 is a significant time for NZQA. After this date seniors will be able to log in to NZQA and check their entries for 2018. They then will be able to track their achievement over the year as each submission is made to NZQA with their internal assessment results. We will assist the students in navigating the NZQA website and check that they are able to log in before the end of the term.

Marysia Airey
Acting Deputy Principal

Position Vacant

STAR and Gateway Coordinator

We require a STAR and Gateway Coordinator to organise work placements, STAR courses and assessment opportunities for senior students. The skills required are:

- Excellent computer literacy
- Ability to work independently
- Excellent communication skills
- Outgoing, professional presentation
- Clean, full New Zealand driver's licence
- Organised and systematic
- Empathy with young people

The position is 12 hours per week during term time (40 weeks per year). Application forms and more information is available upon request via

pr.sec@sacredheartnapier.school.nz

Applications close Friday 6 April 2018 at 4.00pm.

Art Hawke's Bay

A huge congratulations to Year 13 student Ella White Shaw who represented Sacred Heart College in the schools section of the MCL Construction 2018 Art Hawke's Bay Competition.

With over 165 entries into the entire competition, Ella's piece titled 'Discrete Interiors' won one of the major prizes of the evening - Most Thought Provoking Artwork. This is a wonderful achievement.

NZ Biology Olympiad

Congratulations to Kelsey Baker and Vineetha Jenson, for successfully completing the New Zealand Biology Olympiad (NZIBO) tutorial programme.

The girls were part of a nationwide group who were invited to participate in this challenging online programme after performing well in the 2017 NZIBO entrance examination.

Both girls are to be commended for rising to the challenge and for their commitment to this study programme, which has spanned several months.

Theresa Cowen
HoD Science

NEW ZEALAND
INTERNATIONAL BIOLOGY OLYMPIAD

EIT Trades Academy

This lovely picture is of our girls attending their first day at the EIT Trades Academy. Every Friday these students attend a range of courses including, Health and Fitness, Health and Beauty and Automotive courses.

A Focus on Reading

This year the focus of the English department is on reading. Why is reading so important for your daughter?

Simple – brains aren't fixed, they grow and like all parts of the body they need food and nutrition. Reading a wide range of material, including novels, feeds the brain in a way nothing else can. At Sacred Heart we encourage your daughters to consume a wide and varied 'brain' diet – magazine and newspaper articles, short stories, poems, non-fiction including autobiographies, novels...

If you were to simply focus on NCEA results the evidence is clear – students who read widely and independently achieve better in assessments because they have a robust knowledge of different types of writing, can analyse the ideas in writing and can make links to information and ideas based on a broad understanding of the 'wider word'. They face less challenges when first picking up a text and can get to the ideas and deeper analysis faster.

Students who read also have a much better idea of how words work, how sentences are formed and they have vocabularies that are richer and more varied than students who do not read. They can use this knowledge to their advantage when writing for any assessment be it Science, Religion or Design. Maths problems are increasingly word based and the precision and subtleties of language are key to students understanding the problems and being able to answer them accurately.

On a trip to Massey University last year one of their lecturers lamented to us the lack of reading in first year students and how it had impact on their ability to succeed in their first year – they simply weren't in the habit of reading and struggled to understand course material.

Reading for pleasure increases your daughter's ability to develop empathy, understand relationships and has also been proven to decrease levels of stress and depression.

Please – encourage your daughter to read. Allow her to sit down for 20 minutes each night and spend time with a book. Ask her "What are you reading right now?" and talk to her about what she is reading. Go into the public library and explore your own interests – by doing so you are supporting hers and feeding her brain for future success.

Jo Jowett-Morel
Teacher of English

NEXT MONTH: Questions you can ask about what your daughter is reading.

**The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.**
-- Dr. Seuss

Library Corner

A new year and change in the Marian Library. This year I decided to work part-time. Our new librarian is Chris Dempster. Chris, who has worked here as an English Teacher at SHC, is passionate about books and reading and is a real asset to our department.

We have got our new group of Library Hearts, our student librarians, trained and they are proving to be diligent and committed to their service to the school.

In December last year the results of a major International study (Progress in International Reading and Literacy Study) covering 50 countries which measures reading achievement in the fourth year of education (10-year olds) was released. For New Zealand, there were some worrying trends – we have slipped from being one of the top countries to middle achievement.

This year we really want to up our literacy achievement here at Sacred Heart College. We are working hard to engage our students with books and the joy of reading. There are so many benefits that a reader has over a non-reader. So, can I suggest we work together, school and home, to fire up a passion for reading. Ask your daughter about the Reading Challenge and do it together or the Connections course the senior girls are doing and discuss the themes they are reading about.

Maryanne Macintosh
Librarian

Debating

Hawke's Bay Regional Debating Championships were held all weekend on 10-11 March and our Year 12 and 13 teams both won 2 of their 4 debates. There were 29 teams entered into the competition from schools around Hawke's Bay and Gisborne. Well done to all our girls who participated.

Cultural

Fia Fia Celebration

St John's College hosted a wonderful celebration of the Pasifika culture of both of our colleges. This was an evening when all the different cultures of the Pacific Islands were celebrated with much joy and enthusiasm.

The evening began with a feast of Pasifika food and during the meal time students from Kiribati showcased their culture. Then followed the much-anticipated performances of our students.

Sacred Heart opened the performance with all cultures combined in performing a Tahitian dance with candles. This was followed by a Cook Island Drum Dance.

The Tongan girls' performed with such beauty and dignity and then the Samoan girls, looking stunning in their costumes, completed our presentation.

There was no doubt the audience appreciated the performance of each group as many of the mamas joined in the dancing with such expressions of joy.

A big thank you to Luana, Louisa and Serena who put in many hours of work with the different groups in a short space of time to have such a polished performance from everyone.

Sports

What a great start we have had to 2018 sport at SHC – see the achievements highlighted below. Summer sports will be coming to an end as we head into the final weeks of term 1 and we look ahead to trials and registration for our winter sport competitions.

Year 9 Camp was held at Guthrie Smith Outdoor Education Centre, Tutira. 44 students took part in ice breaker games, canoeing, mud runs evening walks and high ropes! Thank you to those who helped prepare the food and to all the staff who came out to help.

Athletic Sports at Marewa Park was a huge success this year. The day was filled with fantastic participation. House spirit was alive and well. Congratulations to Marian— champions for the day!

Senior Results	Intermediate Results	Junior Results
1st Place - Ashleigh Keenan Runner up - Nadia Hayward 3rd Place - Sophie Hammond	1st Place - Margaret Lemalu Runner up - Sarah O'Malley 3rd Place - Edie Kamper	1st Place - Eva Deihl Runner up - Helena Street 3rd Place - Emily Kelly-Lowe

On the 14th March we took 5 students to represent SHC at the ECNISS Athletics event at the Hastings Sports Park. We had some great results:

Intermediate Results	Senior Results		
<u>Samantha Herries</u> Shot Put – 9 th	<u>Sophie Hammond</u> 3000m – 2 nd 1500m – 4 th	<u>Ashleigh Keenan</u> Discus – 1 st Shot Put – 2 nd	<u>Madie Holmes</u> High Jump – 4 th Long Jump – 8 th

Congratulations to our Senior Volleyball team who played in the Open Tournament on 2-3 March. Our girls placed 4th in this tournament. Well done to those who played and a massive thank you to all the parents and staff who went to support the girls.

Our two Futsal teams played in the Hawke's Bay Futsal Tournament on the 7 March. Thank you to Mrs McPherson and to all those parents who supported the girls. Our Juniors placed 3rd overall and our Seniors were placed 10th – Well Done!

Our Junior Canoe Polo team played in the Regional competition at Frimley Pools on 3-4 March. The girls played exceptionally well. Thank you to Paige and Natalie Carter for all their efforts over the weekend. Our Junior team was selected to participate in the National Canoe Polo Competition in Fielding. The girls made history and were placed 2nd in the Junior Girls National Tournament. Huge congratulations to our players on this amazing achievement. Thank you to all those parents who travelled down to support the team.

Swimming Sports was held on 22 March. Swimmers were supported from the sideline with a number of creative chants, dancing and drumming coming from all Houses. Congratulations to the following students who are the Sacred Heart 2018 Swimming Champions:

Junior Results	Intermediate Results	Senior Results
1st: Georgia Kerins 2nd: Laila Salter 3rd: Geena Mouat & Brooke McDonald-Hemara	1st: Edie Kamper 2nd: Courtney Beams 3rd: Emily Kelly-Lowe	1st: Alena Kamper 2nd Cydney Pattison 3rd Bridget Kelly-Lowe

Special mention to Edie and Alena Kamper for breaking school records : Edie—Intermediate 25m Backstroke in 16.28 (old record 16.68 by Tarsh Brewer in 2011); Intermediate 50m Freestyle in 29.72 (old record 31.41 by Tarsh Brewer in 2011); Intermediate 100m Medley in 1.14.13 (old record 1.15.65 by Ashleigh Ennor in 2008).

Alena—Senior 25m Freestyle in 13.47 (old record 13.94 by Tarsh Brewer in 2012).

Winter sports are now available for sign up. Don't forget to register your interest with Miss Wright so you do not miss out!

Katrina Wright
Sports Coordinator

We are a school with so many creative and talented students in music, dance, performance and the visual arts. We are just over half way through the first term and our students have already experienced and participated in some wonderful artistic events.

Miss Carson (Head of Music) has introduced some new music groups for our students to display their excellent instrumental and singing talents. Our Marian Choir, known as an all comers choir, directed by Miss Carson, are preparing for the Big Sing, where they will be performing an original piece also composed by Miss Carson, 'four leaf clover'. Our Gospel choir this year will be directed by our Year 13 student, Henga Ofa, assisted by Miss Carson. The Sacred Heart College Bella Voce choir consists of students that have auditioned for a place and this is also directed by the talented Miss Carson.

Our instrumental programme is now up and running with 36 students enrolled this year for lessons. For our lovely small school with a big musical heart, it is fantastic that we also have 4 chamber music groups all rehearsing for the NZ Chamber Music schools competition in Term 2.

Ella White-Shaw has created a wonderful artwork that will be exhibited in the MCL Construction Art Awards. We all wish her luck with her dramatic piece that will be judged along with artworks from schools from all over Hawkes Bay. We will continue with the Junior and Senior Visual Artists of the month but will also have plenty of other opportunities for our creative students to be recognised for their talents.

We enjoyed the dynamic and colourful Fiafia festival where our students alongside students of St Johns presented a vibrant and exciting Pasifika performances.

So many of the activities our students will enjoy this year will be led by our new Arts Leaders for 2018, supported by SHC staff. Sophie Hammond and Olivia (Liv) Adegoke. They have already put together a plan for a range of interesting and creative events. In Liv's own words ... "I'm honestly all about making the most of this year and hopefully giving you guys one of the best years at high school through all the artistic possibilities SHC offers alongside Sophie."

If you hear about or know of any interesting art events that SHC could either participate in or attend, then I would love to hear from you.

Heather Nelson
Arts Co-ordinator

2018 Arts Leaders

Name: Sophie Hammond

Interests: Piano, guitar, voice, painting, drawing and ice cream

Hobbies: All of the above, I really enjoy restoring my Bedford truck, and I find it really satisfying, especially to enjoy doing something out of the ordinary. Reading (I own a reasonable sized library), spending time with my friends and cooking.

Inspirations: Emma Watson, Mala Yousafaka and Luna Lovegood from Harry Potter

Message to the school: Be yourself. Everyone else is already taken.

Quote: "If plan A didn't work, the alphabet has 25 more letters. Keep trying!"

Name: Olivia Adegoke (Liv)

Interests: Painting, Photography, Reading, Badminton, Food!

Hobbies: I work at Hohepa School in Napier as a Teacher Aide casually, which I really enjoy and consider a hobby because the kids up there are amazing! On the other side I spend time on Netflix, reading, and hanging with my friends and of course doing my school work.

Inspirations: My Mum because she always has my back and supports me. Barack Obama because he is honestly such a cool dude!

Message to the school: I'm honestly all about making the most of this year! And hopefully giving you guys one of the best years of your high school through all the artistic possibilities SHC offers alongside Sophie.

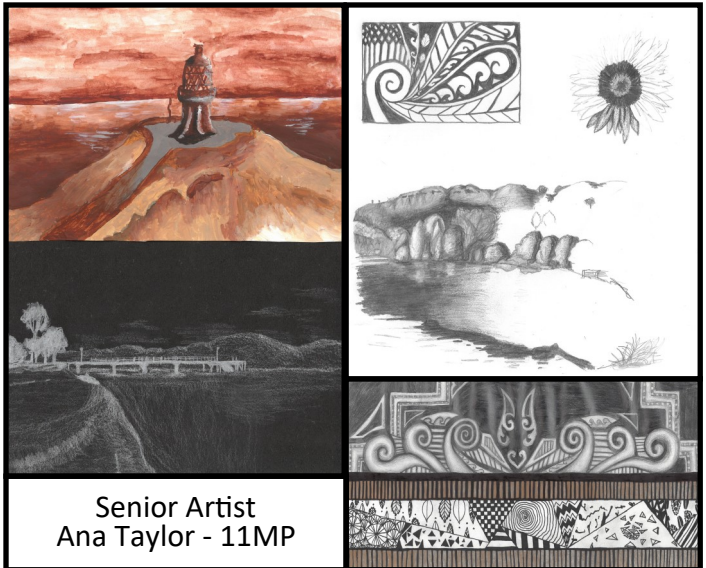

Quote: "Art enables us to find ourselves and lose ourselves at the same time."

Artist of the Month

Junior Artist
Lucy Harvey - 10JL

Senior Artist
Ana Taylor - 11MP

Madame Butterfly

Miss Carson and Mrs Nelson escorted a large group of students to attend a special performance of Madam Butterfly at the Municipal Theatre during Art Deco week. It was an inspiring event as two of the leading performers spoke of their own high school experiences here in Hawke's Bay that enabled them to now have successful international careers in the world of opera. It was great to also see our very own Mrs Jowett-Morel in the cast.

Hip Hop Dance Crew

We are very excited and quite overwhelmed by the fantastic response we have had from our students towards the developing Sacred Heart College street dance and hip hop groups.

Every Friday under the tutelage of Courtney Beams and Amy-Jay Lawson a large number of students will prepare and train for the Battle of the Bays Dance Festival here in Hawke's Bay during Term 4.

We knew we had many talented dancers and performers and now we are working on developing and showcasing these talents in a dance genre that is very appealing for its energy and exciting team dynamics.

We will keep our community updated on the dance progress throughout the year as we would love to have plenty of support from you all for our first major competition.

Combined School Band

This year we have established a combined school band with St Johns College. The girls have been keen to get involved and combining their skill-sets with the boys to create music and harmony.

In May, we will be taking the group to compete in the Hawke's Bay Festival of Bands; a competition where community, school, brass, symphonic and concert bands across the region come together and perform a 30 minute programme. There are awards for Bronze, Silver and Gold as well as Most-Entertaining Band and Featured Soloist.

We look forward to the rehearsal process and the development of this combined band for 2018.

Jubilee Update

In 2017 we celebrated our 150th year. Following the very successful reunion of past staff and students at Labour Weekend the Jubilee Committee has been able to donate money from the sale of the books and donations from those who were unable to attend, to the College. \$7000 was presented to Archivist, Kerri van Tuel, at a school assembly on March 14th. In the past there has been little funding of the archives and this money is to help Kerri source appropriate storage materials for the collection of photos, uniforms and other memorabilia. It will also assist in other areas to do with the archives.

Our 175th celebrations will be in 2042! If you or family members have items that you would like to donate to the archives then call Kerri at the school office or come up to the school. Hard copies rather than electronic are useful as technology changes so rapidly.

Itinerant Flute Lessons

Vacancies remain in itinerant flute lessons for this year. Learning the flute provides opportunities to play in groups such as the Symphonic Band, Chamber Music contest, and other performances, possibly including NCEA assessments in Years 11-13.

There are flutes available for hire at reasonable rates, and to build up numbers, lessons can be shared to reduce tuition cost. Learning an orchestral instrument in the itinerant scheme is a fantastic opportunity, at a fraction of the cost it is to learn privately. Please see Miss Carson for enrolment details.

Coaches/Managers

We require help for the following winter sport positions

- Netball (coaches/managers for all levels)
- Football
- Badminton – Competitive and Social
- Basketball – our long-serving coach would love any assistance

If you are interested or know of anyone who may like to take on a coaching or management role, please call or email me for further information.

sport@sacredheartnapier.school.nz

Bar Course

We are offering a Bar Course to our Year 13 students from 23-26 April 2018.

Cost is \$150 per person and needs to be paid in full by Wednesday 11 April.

The course is heavily subsidized and is a great opportunity for students.
